Giving to Church on the Heath

If you want to give money to Church on the Heath there are several ways to do this.

- 1) By cash or Cheque in the Offertory plate during a Sunday Service. Cheques should be made payable to "Kings Heath Baptist Church" or "Church on the Heath".
- 2) By direct transfer to our bank account. The details are: Account name – Church on the Heath - Kings Heath Baptist Church, Sort Code - 30-96-09, Account number - 01364285, Bank – Lloyds TSB Northampton Branch, IBAN (for International transfers) - GB13 LOYD 3096 0901 3642 85. It would be useful if you could give Martin details if you are planning to transfer money directly.
- 3) If you are a tax payer, we would encourage you to give via Stewardship. This will mean that they will reclaim Income tax on your gift and, after deducting a small charge, forward your gift and the reclaimed tax to us. This usually means that for every £100 given we receive £121.25. It only costs you £100.00. If you would like further details of this scheme please see Robert Jones who will be able to give you a form to register with Stewardship. You can either send one-off cheques (minimum £30) to Stewardship at their Freepost address, or complete a Direct Debit Instruction to make regular donations monthly (minimum £10), quarterly (minimum £25), or annually (minimum £100). Stewardship will write to Robert with details of any donations made in this way.
